# THE PREBENDAL SCHOOL

**An historic school from which most students gain scholarships to the UK's most prestigious senior schools**

The Prebendal School is a 900-year-old school, which dates back to the foundation of Chichester Cathedral in the 11th Century.

Small class sizes and outstanding individual support propagate academic rigour and confident, ambitious children.

As the home to world-class choristers, who live and learn at The Prebendal, music fills the school and is of a truly exceptional standard. The choristers' work-ethic inspires others to adopt an industrious and happy attitude towards their learning.

Boarding is available from 7 to 13 years old and choristers receive impressively generous scholarships. On graduating from The Prebendal, nearly all students\* gain scholarships to prestigious independent schools including Eton, Harrow, Charterhouse, Lancing College, Portsmouth Grammar and Beneden. Notable alumni include a former Archbishop of Canterbury and numerous parliamentarians.

Playing cricket on The Prebendal's wicket next to the cathedral on a summer's day provides a quintessentially British school experience. Although steeped in tradition, the thinking is progressive and committed to ensuring the best opportunities and greatest academic outcomes for the pupils.

***One of the best-value independent schools in the country***
